

Environmental Policy

The Management at Spectraglass Limited acknowledge that they have a responsibility to the environment and are committed to a programme of continual improvement. The company strives to protect the environment through the prevention of pollution and ensure that it fulfils all compliance obligations.

The specific aims of our environmental policy are as follows:

- To continually improve the environmental management system.
- To minimise the impact of our operations on the environment by introducing a programme of objectives and targets which will ensure we demonstrate continual improvement in environmental performance.
- We will provide adequate training to all employees to ensure they behave in an environmentally responsible manner.
- To promote our commitment to environmental responsibility to our contractors and suppliers by making this policy available to all stakeholders and customers upon request.

This policy will be subject to annual review.
